

You Are God (Psalm 90) - Lyrics

Bob Bucy

Verse 1:

You are God, before the day you formed the earth
You are God, before the mountains were brought forth
You are God, creator everlasting
You are God, our refuge and our strength

Chorus:

Return, O Lord, have compassion on your servants,
Satisfy us in the morning with your unfailing love,
And may the favor of the Lord rest upon His children,
Establishing the work of our hands

Verse 2:

You are God, consuming in your anger
You are God, renewing in your grace
You are God, revealing our transgressions
You are God, numbering our days

Chorus:

Return, O Lord, have compassion on your servants,
Satisfy us in the morning with your unfailing love,
And may the favor of the Lord rest upon His children,
Establishing the work of our hands

Bridge:

A thousand years are as a day in your sight,
We will trust in your power and might,
And praise your name all the rest of our days oh Lord
